The key sessions will include leading experts on building consumer trust and creating innovative change.

The forum will officially launch the Sheep Producers Australia Leadersheep Network and outline the range of opportunities and professional development on offer.

'An opportunity to develop your leadership skills and build networks across the sheepmeat industry!'

You'll also meet one of the most famous farmers on Twitter ... all the way from the UK, The Shepherd – James Rebanks, and be the first to hear the LambEx 2018 Young Guns finalists, Australia's next generation of lamb leaders, before the winners are announced at LambEx.
